NEW BOOK BY DR. GUY PEH

YOU ARE THE ELIJAH GENERATION!

The story of Elijah and Elisha is the parable between Christ and the Church. Elisha's name resembled Elijah's name. Christians' name resembles Christ's name. Elisha followed Elijah, Christians must follow Christ. Elijah gave his mantle to Elisha when he ascended, Christ gave his mantle to the Church when He ascended, and He gave gifts to the Church. Elisha did twice as many miracles as Elijah, Jesus said greater things shall you do because I am going to the Father. Just as John the Baptist was a forerunner of Jesus Christ's ministry and came in the Spirit of Elijah before the first coming, we are called to be forerunners of Christ's ministry before His second coming with the ministry of the Holy Spirit.

How often today people feel inadequate when it comes to ministry for different reasons (inferiority, fear, intimidation, religion, culture,...). Most people think that you have to be special to be used by God but the scripture is very clear, I will pour out my Spirit upon all flesh. All means all. If you have flesh, you are a target of the outpouring of God's Spirit. You are a target for revival. You are the Elijah generation! You have been released in the supernatural. You too can be used by God as a forerunner of Christ for your generation! God is not looking for capacity only. He is looking for availability. Everybody will be used. A company of miracle-workers is here and is coming. This is the nameless and faceless generation.

In this new exciting book Dr. Guy Peh is providing practical training for anybody who has a desire to be used by God. This spiritual training can help you display the championship quality of God in every area of your life. Learn how to use your authority, pray for the sick, flow in the gifts of the Spirit, raise the dead, cast out demons, change your thinking and work with the leadership of the church in the Kingdom of God.

WE ARE PASSIONATE ABOUT WORLD EVANGELISM

Dear friends

What an exciting time we live in with the tremendous opportunity to serve and reach our generation with the transforming and empowering gospel of Jesus Christ. Evangelism is depopulating hell in order to populate heaven. George Washington Carver said: "No individual has the right to come into this world and leave it without changing it." R. G. Smith said: "No individual has the right to hear the gospel twice when millions have not heard it once."

We thank God for you, all our partners and intercessors; together we are a part of the great commission. As you go through our world news report we pray that your faith may be encouraged. Keep reaching forward in Him.

Many blessings,
Dr. Guy & Ilke Peh

We had an incredible trip to Brazil. We were there during Carnival where millions of people celebrate and party “Mardi Gras” style, except that it’s much worse. Thank God for leaders in the Body of Christ that received a vision to make a stand against the powers of darkness during Carnival. While most Christians will leave the city to avoid the festivities that go with Carnival, they organized a 64-hour event of non-interrupted meetings; this event is called “Shake Sao Paulo” with day and night preaching, worship and intercession. It was a life changing event. Thousands of people attended the meetings day and night; they had over 1 million visitors during the event. I was one of the guest speakers; the power of God was like electricity during my time of ministry. We saw God touch many. We were also able to take testimonies - the blind received their sight, the deaf heard, the lame walked, tumors disappeared and many were healed from other sicknesses. We were so blessed and grateful to the Lord that did such a mighty work through our ministry. We were told that while I was preaching over 70,000 people listened to my message on the radio and the leaders said that they received so many phone calls from pastors, leaders and people regarding my message. They said that our meeting was the climax of the event. We are so thankful to God for what He did. This event is held every year and we have received a lifetime invitation.

Healed from stomach pain in Australia

I had severe stomach pains, every day, increasing over 10 years. Dr. Guy asked anyone with stomach pain to come forward. Dr. Guy prayed for me and I fell in the Spirit. The pain stopped immediately and I have been healed since that day. Praise the Lord.

Healed from ringing in the ears in Singapore

For 10 years my wife Audrey was suffering from buzzing in her ears. At times it was very painful. So many doctors and specialists could only give her temporary relief. We visited one of Dr. Guy's meetings. At the prayer time, he had words of knowledge about different sicknesses of people, they all come forward. My wife went and stood in the line, without telling Dr. Guy about her condition. He came and touched both of her ears and prayed. She was healed instantly and has been healed for over a year now. To God be the glory!

Audrey, Singapore

Deaf ear opened in Alabama, USA

My ear was deaf for over 35 years. After Guy Peh prayed for me, my ear was instantly opened and now I can hear normally. Praise God. He's able!

Sandra, Alabama, USA

Healed from autism in the USA

My daughter suffered from extreme anxiety and autism. She would scream for hours, sometimes days with no way to sooth her. After Dr. Guy prayed for her she became normal. She can now communicate her wants and desires and no longer requires weekly counseling. Praise God! All things are possible with God!

Rana, Texas, USA

Healed from shoulder pain in Australia

I had very sharp piercing pain in my shoulder for over a year. Dr. Guy Peh said, there's somebody here being healed from severe shoulder pain. After he said it, there was a vibration in my hand and God's healing power came over me and I was immediately healed. Praise God, I am pain free!

Josephine, Australia

Healed from deafness in both ears in the USA

I was deaf in both of my ears. I couldn't hear at all. Dr. Guy prayed for me and now I can hear with both of my ears. God is so marvelous. He can do exceedingly, abundantly, above all we can ask or think.

Josephine, Texas, USA

Healed of cyst on eye in the USA

Recently you were at my church.

I had a tumor-like cyst on my left eye right by my eyebrow. I have been to a dermatologist and was given antibiotics to reduce the swelling, but was told the cyst had to be surgically removed. During the Sunday night service, you asked people that had problems with their eyes to put their hands on their eyes and to repeat the prayer after you. I left that service that night and went straight to work. By mid-day the very next day, the cyst was completely gone! Hallelujah! Thank you Jesus! I enjoyed your service very much!

Amanda, Louisiana, USA

Couldn't get pregnant for 5 years but now have a miracle baby

My husband and I had been trying to get pregnant for 5 years. I suffered 2 miscarriages and 1 round of fertility drugs without any results. We then decided not to go back to the doctors but to just believe in God for a miracle. August 3rd 2008, Guy Peh came and spoke a word: That by this time next year we would have a child. I got pregnant November 2008 and I we got our baby in August 2009. Just 1 year later!! Praise God!

Traci, Michigan, USA

Healed of diabetes in the USA

About 4 years ago Dr. Guy Peh prayed for me at my church for healing of diabetes. I have been tested again and again and the doctor surprisingly says that everything is normal. It has been 4 years that I have been free from diabetes. Praise God, He gets all the glory.

Henry, Oklahoma, USA

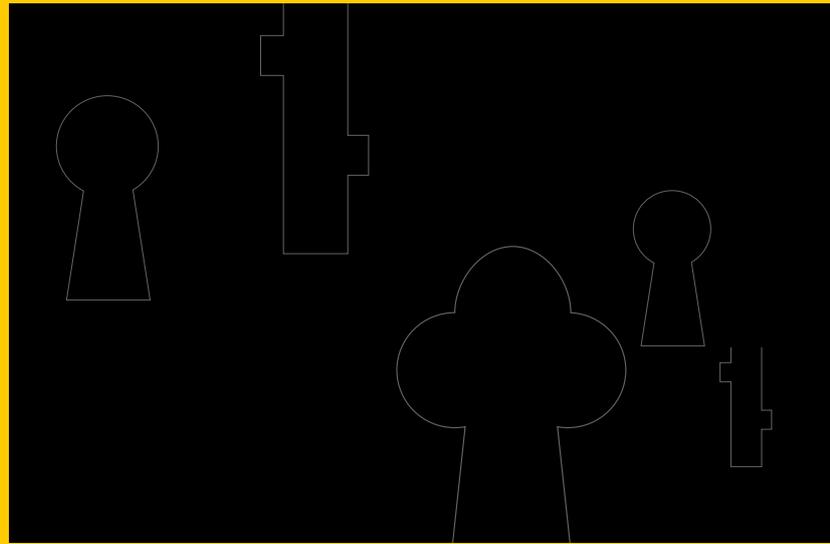

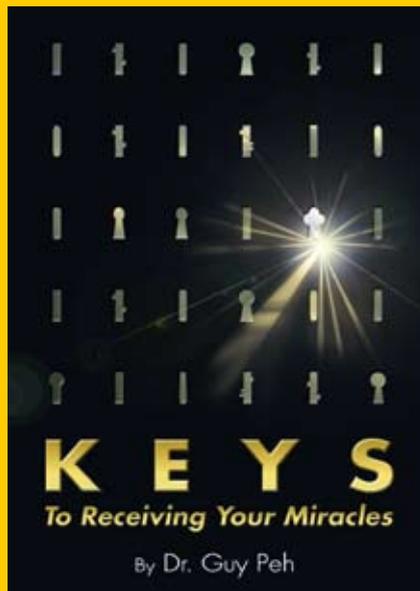

6 cysts disappeared

Six years ago my husband, at that time my fiancé, caught me after fainting and saved me from falling down 15 cement steps. He called 911, and 15 hours later I was in surgery. Unknown to me, one of my ovaries had a huge cyst on it that had erupted and would not stop bleeding. The doctors told me that I had poly-cystic ovarian syndrome and they removed one of my ovaries. Poly-cystic ovary syndrome (PCOS) is an endocrine disorder that affects approximately 5% of all women. It occurs among all races and nationalities, is the most common hormonal disorder among women of reproductive age, and is a leading cause of infertility. Last summer I found myself in the ER again for the same reason. I prayed to God not to take my other ovary. The doctors were able to keep it, but they told me that I had five cysts on my remaining ovary. A few months ago my foot starting to hurt and I went to the Podiatrist. He told me I had a cyst on the side of my foot. It was so big that I could see it popping out from my skin. They wanted to remove it, I told them no. For a year my husband and I prayed that God would heal my body. Nothing happened but we had faith. I went to the Ukraine a few weeks ago for business and while my team and I were there we bumped into Guy and his beautiful wife, Ilke. We went to one of their services, and at the end of it they called up all of the women who have been struggling to have a baby. So I went up and Guy said a simple prayer then Ilke held me and prayed over me again. I did not feel anything special no heat or tingles. When I sat back down in my seat I looked at my foot to see if the cyst was gone, but it was not. I went back to the US and a few days later I was putting my socks on and I noticed it was gone. I was so amazed. I scheduled an appointment with my Ogbyn doctor. When I went to see him I asked him to do an ultrasound. He looked at my ovary for about 5 minutes. I asked him what he was looking at and he said, "Nothing. There is nothing there." All I can say is, "Praise God!"

Book: Keys to Receiving Your Miracles

There was never a day of miracles, only a God of miracles.

A man with a genuine experience with God is never at the mercy of a man with an argument against God. Without faith in the miraculous, people subscribe to a mentality of pessimism and defeat.

You will always know what God will do tomorrow because of what He has already done.

God wants you to enjoy miracle living. His plan for you is to dominate sickness, evil spirits and destruction just as Jesus did. What Jesus started you can continue.

In this book Dr. Guy Peh gives you practical keys that will unlock your understanding about the miracle realm and how to receive your miracle.

Woman, You Are Precious

Millions of women all around the world share the same pains, fears and doubts. Their spirit is scarred and wounded. Ilke brings a message of healing and freedom in Jesus through her ministry 'Woman You Are Precious'. So many women have realized through Ilke's ministry that God knows every detail of their lives from their painful past to their limitless potential. Ilke is speaking at 'Woman You Are Precious' conferences around the world. Many have testified of being healed and set free by this ministry.

You are precious and honored in Gods sight!

You really are of extreme value to Him. He doesn't look at the outward, He looks deeper. He looks at... you. It does not matter if you are going through a storm, just entering a storm or coming out of a storm, God is with you and you are still precious! No shame, pain, hurt, failure, downfall, betrayal, sickness, disaster, abuse, or degradation of this world can reduce your status as a precious woman and a precious daughter of God Most High. Nothing anyone has ever said to you to hurt you or done to you that stripped you bare, can ever alter God's love for you because you are precious! You are! May this understanding of your value, your rareness, your preciousness before God, bring renewed life to the potential of all around you! You are a person of potential and God wants you to arise to your fullest potential. You are a spectacular exception!

Rise above your difficulties!

By adopting a certain frame of mind - a philosophy of thinking - we tap into an ability inside that has the power to lift and put us over. I am reminded of the story of a small black boy at a county fair. A man was blowing up balloons and letting them float up into the sky, the balloons were of all colors. "Do you suppose that black one will go as high as the rest?" the little boy asked. The man looked into the eyes of this young boy and said, "It's not the color on the outside that makes the balloon go high, it's what on the inside."

Consider the following people who chose to rise above their difficulties:

Winston Churchill failed sixth grade. He was subsequently defeated in every election for public office until he became Prime Minister at the age of 62. He later wrote, "Never give in, never give in, never, never, never, never - in nothing, great or small, large or petty - never give in except to convictions of honor and good sense. Never, Never, Never, Never give up." (his capitals, mind you)

Thomas Edison's teachers said he was "too stupid to learn anything." He was fired from his first two jobs for being "non-productive." As an inventor, Edison made 1,000 unsuccessful attempts at inventing the light bulb. When a reporter asked, "How did it feel to fail 1,000 times?" Edison replied, "I didn't fail 1,000 times. The light bulb was an invention with 1,000 steps."

Albert Einstein did not speak until he was 4-years-old and did not read until he was 7. His parents thought he was "sub-normal," and one of his teachers described him as "mentally slow, unsociable, and adrift forever in foolish dreams." He was expelled from school and was refused admittance to the Zurich Polytechnic School. He did eventually learn to speak and read. Even to do a little math.

Walt Disney was fired by a newspaper editor because "he lacked imagination and had no good ideas." He went bankrupt several times before he built Disneyland. In fact, the proposed park was rejected by the city of Anaheim on the grounds that it would only attract riffraff.

The sun always outlasts the storm, storms come and go but the sun is always shining. This is a required philosophy for living courageously in this world. "Rejoice not against me O my enemies for when I fall I shall arise." Difficulties may cause us to fall or stumble but with God's help we shall arise. You might think you are defeated but you are not. Get up! With God you can overcome your difficulties and live the victorious life for which you were created.

We enjoyed our time of ministry in Africa. God is moving mightily in Africa. Many people are getting saved, changed and healed by the power of God. There's a real hunger for more but a great need for leaderships training.

Crutches left behind, "Trophies of God's glory!"

Mission Central America

This young boy was miraculously healed by God. He could not walk. He prayed and asked God to heal him. God healed him and he could walk! He was so touched by the miracle God did that he was crying, hugging me and didn't want to let go. It was a precious moment that touched everybody that was in the meeting.

This woman had a cancerous tumor in the uterus. After receiving prayer the previous meeting she went home while using the bathroom the tumor came out and she came back the next day to testify about her miracle. God healed her from cancer. What an awesome God we serve!

Market Place Ministry

We have been so blessed to see many business people around the world blessed through our market place ministry.

It's time to minister to the business community of the Kingdom of God.

Our vision for the market place ministry is to teach business men and woman all over the world how to display the championship quality of God in every area of their lives.

Orientation for Success

Commit your work to the Lord then your plan will succeed. Proverbs 16: 3

Success is God giving you what you can manage and what you can manage happily. Success is having enough to do what God wants us to do and to have something left over.

Success is being able to enjoy what you have while you have it. It doesn't matter what your history is. It doesn't matter what your present condition is and how many limitations the devil has placed around you to stop you. God wants you to break into success.

There are 3 kinds of people in the world: the wills, the won'ts and the can'ts.

The first accomplish everything, the second oppose everything, the third fail in everything.

Our greatest glory is not in never falling but in rising every time we fall.

Recipe for success:
Study while others are sleeping, work while others are loafing, prepare while others are playing and dream while others are wishing.

The Winner – is always part of the answer, the Loser – is always part of the problem.

The Winner – says, “Let me do it for you”, the Loser – says “That’s not my job”.

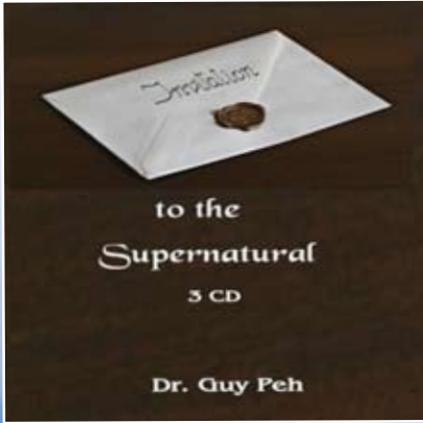

The Winner – sees an answer for every problem, the Loser – sees a problem for every answer.

I was blessed to be guest speaker at the Asian Full Gospel Business Men Fellowship convention where many were tremendously blessed.

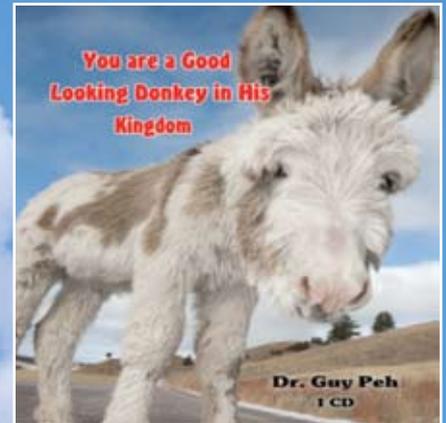

TEACHINGS BY DR. GUY PEH

*Listen to the Word,
Feed your Faith,
Grow in God!*

Invitation to the supernatural

To receive your blessings you need to understand God's promises for you. Every promise of God is an invitation to the supernatural. Because the Bible says in 1 Corinthians 2 : 8, 'You cannot see in the natural, with your senses', what God has for you. The promise of God demands a revelation - a revelation from the Spirit. A lot of people are frustrated in the Kingdom of God, because they stand in the natural trying to receive supernatural things. You have to learn how to step into the supernatural to receive all God has promised you. In these messages Dr. Guy will teach you how to possess the promise.

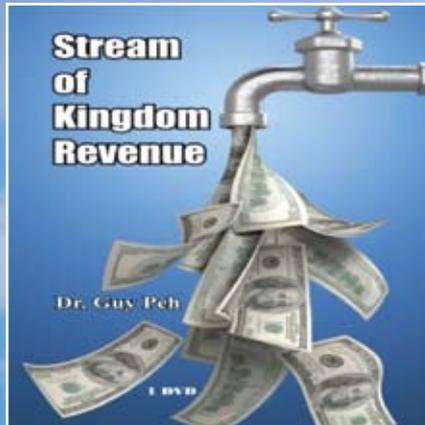

You are a Good Looking Donkey in His Kingdom!

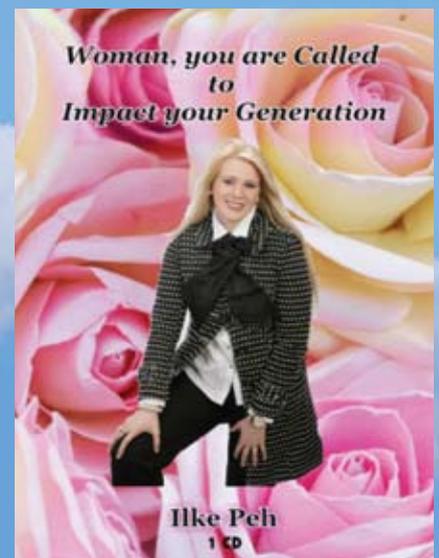

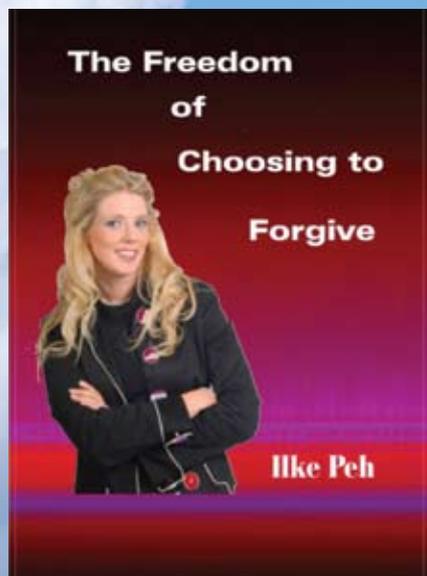

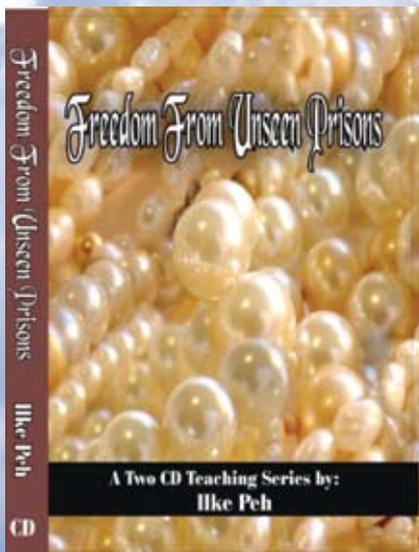

The Kingdom of God is the realm where God's will and Lordship are exercised. When the Kingdom comes, supernatural things can take place that will change the reality of your life. God is raising up a company of men and women that are hungry to be used to release His Kingdom on the earth. Just like the donkey brought Jesus in Jerusalem for Jesus' triumphant entry, God wants to use you as a good donkey to bring Jesus in the city by releasing the Kingdom with power, wonders, signs and miracles. Get ready to be used by God as a good donkey.

Streams of Kingdom Revenue

Anything that is counterproductive to the advancement of the Kingdom of God in your life, in your city and in your nation is a demonic system. For every demonic system there is a kingdom model designed by God to replace and counter the demonic system. But it is our responsibility to find the Kingdom model to replace the demonic system. In order for you to engage this world system and to raise up a Kingdom model you need to understand the 7 streams of Kingdom Revenue. In this dynamic and prolific message Dr. Guy is teaching about 7 streams of Kingdom Revenue, 4 doors that give access to the stream and the 4 levels in the stream. Get ready for a turnaround in your finances and your destiny.

RECONCILIATION MINISTRIES INTERNATIONAL

THE POWER OF PARTNERSHIP

Purpose of Partnership:

A partnership is formed when 2 people join their faith, prayer and finances together to accomplish what one person can't do alone. The believers at Philippi understood the power of partnership. Paul said "because you gave, and gave again, I have all and abound...my God shall supply all your needs according to his riches in glory by Christ Jesus." Paul was not talking to just any believer, but to his partners in the work of the ministry!

As Ilke and I travel around the world bringing the Word of God, you are there with us. Together we can reach the world with the love of Jesus with a message of power, signs and wonders through church services, leadership conferences, mission trips, miracle crusades, training seminars and social outreaches.

Benefits of Partnership:

■ **Monthly e-letter** – Every month we will send you a report of what the Lord is doing through our ministry in different nations of the world. You will be able to see the fruits of your partnership at work.

■ **Prayer for you and your family** – Paul said to the Philippian church, "I thank my God upon every remembrance of you.

Always in every prayer of mine for you all making request with joy." Paul prayed for his partners. Ilke and I and our intercessors around the world are committed to pray regularly for our partners to always be triumphant in every area of life. 2 Corinthians 2 : 14 You can send us your prayer requests online any time.

■ **25% discount** on all our books, CD's and DVD's when you visit our product table or call in your product order.

Ways to Partner:

■ **By credit card** – online at www.guyandilke.com, for your convenience we can automatically debit your credit or check card each month.

■ **By check** – make your check payable to RMI (Reconciliation Ministries International) and mail it to RMI, P.O. BOX 763174, Dallas TX 75376

■ **Monthly partner** – For your offering of \$25 or more each month, you will receive all the benefits of partnership.

■ **One-time gifts** of any amount to share in the outreaches of Reconciliation Ministries International: miracle crusades, leadership conferences, mission trips, Bridge of Hope and other areas of RMI ministries and outreaches.

■ **Bridge of Hope** – With your financial contribution, Bridge of Hope, an outreach of Reconciliation Ministries International, is dedicated to build a bridge that will give an opportunity to disadvantaged people around the world to have a better life by providing food, support for orphanages, assistance in disasters, to dig water wells (1 water well costs \$1,700, it gives clean water to a village of 800 people), to help pastors and ministers in need (sponsor a tribal pastor for \$100 a month, \$1,200 a year).

As missionaries to the nations, we need to have more than just the language of words. We also need the language of actions. Pure and undefiled religion before God the Father is this: to visit orphans and widows in their trouble. James 1 : 27

We ask no matter what you are able to commit to financially; you commit to pray for us as we pray for you! We would love to have you send in your prayer requests as well as your pictures.
